conflicts and when he does come he will fill the world with justice and fairness

What happens when he arrives?

- He will travel from Makkah to Madinah
- And will be chosen leader
- An army will leave from Syria but will be destroyed in an area called Bayda - swallowed up by the ground

Then another army from the Quraysh will also come but the Muslims will overpower them.

Imam Mahdi will establish Islam and there will be justice and fairness.

Shortly after the Dajjal will appear (Imam Mahdi is the start of the major signs)

The Dajjal will cause corruption for 40 years

- Day 1 - 1 year
- Day 2 - a month
- Day 3 - week
- Day 4 - 40 normal days

Appearance of the Dajjal

- One eye is blind (right) the other is like a squashed grape (left)
- Kaf-fa-ra (disbeliever will be written in between his eyes. Every believer will be able to see it)
- Short man with thick curly hair
- Wide build and reddish skin

Tricks of the Dajjal

The prophet SAW said he will be the greatest test to people

He will have special powers and claim to be a messiah, then he will claim to be God

- He will be able to make it rain (for those who believe him)
- He will be able to make the fruits grow and the animals will eat from it
- Those who reject him will suffer from shortages of water and food. People will die and wealth and supplies will be used up
- He will be able to bring people back to life

Those who doubt will disbelieve, those who know who he is will become even stronger. Because prophet SAW warned us about it

- He will have a paradise and hell. (who ever enters the paradise it will be hell and who ever enters the hell will be paradise)
- He will pass by a ruined land and all the hidden treasures will come out and follow him like a swarm of bees following the queen bee

How will he be destroyed?

- Isa will return by placing his hands on angels and descending near a white minaret on the eastern side of Damascus
- At the time Imam Mahdi will be leading fajr
- Isa will then take over
- Isa will then search for the Dajjal and he will begin to melt like salt dissolved in water
- He will be killed in a place in Palestine.
- Peace will resume
- He will get rid of all the crosses
- Isa will get married and have children

The beast: strange creature, huge features,

Ring of Sulayman

Staff of Musa

It will not harm anyone

It is created to talk to people about Allah and the truth
