- how i treat you!
- Then his grave will close onto him and crush his ribs together.

The Horn

- 1st time: everything will fall and lose consciousness - except for those who Allah wants to protect. No one will have power except Allah

The scene around the day of judgement

- The sun will be folded up
- Stars will lose their shine and fall from their place
- The skies will fall and mountains turned to dust - light as wool
- Oceans will be set ablaze
- The Earth will become one vast, smooth and plain field.
- 2nd time (horn): everyone will regain consciousness and will be confused.

Resurrection

- People will be resurrected in 2 groups, good and bad
- Everyone will be thinking about themselves and no one else
- People will recognise their family but run away from them
- Wealth, children, status will have no value on that day
- People who are good and believe will be saved from this
- People who were bad will wish that they had a second chance to come back to do good. But there are no second chances now
- 50 000 years long - difficult, terrifying
- The sun will be so close it will melt out brains
- Floor made of copper.
- People will swear according to their skins and some will drown in their own sweat
- Confusion - will be like they're drunk
- There is no shade except Allah's throne - one of the reasons to be under the throne is:
 - Those who worshipped Allah from a young age. (you still have a chance to sit with the prophets and in the shade of Allah!

Book of deeds

- Right hand - happy, joy, showing off to everyone
- Left hand - will wish they never received it

The Scale

- Heavy in good deeds - successful, happy
- Heavy in bad deeds - losers, hell

The bridge

- Everyone will try and cross the bridge
- It goes over hell
- The first person to cross will be the Prophet SAW

AND THEN...YOU'LL HAVE TO WAIT TILL NEXT WEEK! - CLIFF HANGER
