Due: _____

Wudu Homework

Fill in the numbers for the actions of wudu in the correct order.

	Take a little water to your nose and clean it 3 times.	Wash your mouth and gargle 3 times.	
	Say 'bismillahir rahmanir rahim'.	Wash your entire face 3 times.	
	Recite the dua for after completing wudu that Prophet (s.a.w) taught us.	Rub in between your toes, starting from the small toes on your right foot to the small toe on your left foot. Use the pinkie finger on your left hand for this.	
	Use a miswak, toothbrush or your fingers to brush your teeth.	Wash your right foot including the ankles 3 times, and then your left foot 3 times.	
	Wash your right arm up to and including the elbow 3 times, followed by your left arm 3 times.	Make the intention to clean yourself.	
	Wash your hands to the wrists 3 times. First your right hand, and your the left.	Clean the inner part of your ear by using your index finger and outer part with your thumb.	
	Wet both hands once. Wipe your head from front to back and then wipe the sides of your head from back to front.	Wipe the back of your neck using the back part of your fingers.	
	Pray 2 rak'ahs of salah to thank Allah for allowing you to make this wudu	Rub in between all your fingers by locking the fingers together.
